Mr. Chas Blossfield
488 Main St.
Hartford Conn.

Dear Sir:

Your letter of March 15th received. In answer to your question about rent, we pay 20% for the rental of Ruppert Stadium, and while we have an additional expense in promoting games away from home, I want to pay what is fair. The additional expense I speak of is due to the fact that it is necessary to have a local man to handle the publicity if the game is to be properly advertised.

Either Mr. Pompey, the owner of The Cubans, or I will come to Hartford in the next week or two, and will come to see you at that time. Whatever you feel is the correct rent to pay, we will be glad to do so.

We also agree with you that a doubleheader will be better to play.

Thank you very much for your cooperation.

Very Truly Yours
